Please return this project activity report to the Miccio Foundation no later than one year post award date. Please use `headings (1-5) described below when writing your report. Your project activity report is reviewed by the entire Miccio Board when funding decisions are made concerning your organization's next request.

1. Grant Purpose

   Summarize the project that the Miccio Foundation funded and how the project was implemented and evaluated. (Suggested length one to two paragraphs.)

2. Proposed Budget and Actual Expenditures

   Provide the budget that you initially submitted to the Miccio Foundation. List your actual expenditures. Note how Miccio grant funds were spent. List any other groups that provided financial support for this project. If any Miccio funds remain, please describe your plans concerning these funds.

3. Grant Impact and Evaluation

   Describe the grant's impact including counts and other numerical information quantifying the project's effect; for example, number of animals neutered, number of educational programs delivered, number of animals fostered.

4. Future of Project

   Summarize your future plans related to this project.

5. Publicity

   Provide copies of any publicity that you received or photographs (before and after), if applicable.

Staple this cover sheet to your report:
